

Ready to sling some mountain mud?

Our **Redneck Country** Package lets you leave decorum at home and see how the locals do it. Set off on the Lost Trails, commanding your own ATV up and down mountain sides and through creek crossings. Two-person vehicles allow younger riders to experience the thrill along with you. Expect to encounter wildlife moving through the beautiful mountain foliage. Your guided adventure includes ATV rental and instruction. Then, don camouflage fatigues and stalk through the underbrush of a 20-acre, wooded paintball field. Engage your foe in a variety of scenarios—and prepare to be splattered! Equipment included. Complete your day by enjoying a streamside barbeque.
